

Environmental Sustainability Officer

Foyle Food Group – Shared Service Centre

52 Doogary Road, Omagh, Co Tyrone, BT79 0BQ

Closing date 16th December 2024

The Foyle Food Group is one of the largest Red Meat Processing Companies in the UK and Ireland, we are actively seeking applications from individuals keen to take up a management career within the food processing industry. This is an exciting opportunity to join a well-established food processing Company in the UK and Ireland.

Sustainability and Environmental Management are at the forefront of the Foyle Food Group's business objectives – we are actively seeking applications from individuals who have a passion to develop and deliver all aspects of sustainability (Environmental, Social and Governance).

The successful candidate will monitor competitor / customer / Industry sector sustainability strategies, targets and requirement and incorporate these as appropriate to ensure the Foyle Food Group meets current and future business needs complying with Environmental regulations and standards. You will also prepare sustainability reports, detailing the organization's performance in areas such as greenhouse gas emissions, water usage, and waste management

Key skills

- Sustainability or Environmental Management qualification at degree level or above
- Extensive knowledge of ISO 14001
- Previous experience in sustainability projects
- A passion to drive sustainability and environmental projects
- Strong analytical and problem-solving skills
- Strong interpersonal skills

If you believe you have the drive, enthusiasm and knowledge we want to hear from you, please forward your CV to the HR department at the Foyle Food Group.
